Message from Ryk

Dear Parent

We have just concluded a busy and successful swimming season. Congratulations to all those who represented their schools and Players at the national Levels gala. We will take some time to reflect on the performances and go into more detail at the Evening of Recognition on the 10th of May.

I am excited to announce the opening of the third branch of the Ryk Neethling Swimming Schools in Mooikloof on the 16th of May. It is a beautiful facility and our partnership with Kiddies Academy is an exciting one.

I will be travelling to Brazil this coming week to formalise our partnership with the Gustavo Borges Academy and Swimming Schools in Brazil. Gustavo, a 5-time Olympic Medallist, has 170 learn to swim facilities in Brazil and on a recent visit to South Africa he indicated that he would like a partnership and exchange of ideas. It is very exciting to have his experience and expertise behind us and we look forward to making Swimming Stars a well known name in the aquatic world.

Enjoy the Easter Holidays and drive safely.
