

Dear Swimming Stars Parent

We survived the Soccer World Cup and we at The Ryk Neethling Swimming School Faerie Glen are entering our SECOND Spring Season!!

Unfortunately we have been necessitated to increase our fees between 7 and 10% to keep up with inflation. Please find the new Monthly Fee Structure valid from 1 October 2010, attached.

I would like to ensure all parents of our continued dedication to specialised service. We proudly enforce our motto – **Saving Children From Drowning One Swimming Lesson At A Time** and invite you to contact me at ryk@learntoswim.co.za if you have any questions or comments.

New Baby Pool and other renovations.

We apologise for any inconvenience experienced during our renovations.

- Boys Changing Room - enlarged and hair dryer installed.
- Additional seating space created next to the pool.
- New Parent Viewing Area opened up in reception.
- New Parent Lounge with Wi-Fi and sibling play area.
- New enclosed dedicated Baby Pool (6 – 24 months) nearing completion and will be in use September 2010.

Our unique Little Swimmer Floating Programme will be run exclusively in this pool. Please see attached details of this programme, launching beginning October 2010.

Note: If you are currently in a floating programme with Lizette, you may still finish at the normal Learn to Swim Fee.

Please feel free to contact us with any questions or uncertainties with regards to the fee increase and new baby programme:
